Headmasters Message

"Tell me, what is it you plan to do with your one wild and precious life?" - Mary Oliver

Dear Class of 2019,

Congratulations! I'm so proud of you and what you have accomplished over the last four years. Your class was one of the last classes that I worked with as a full time teacher and I have many great memories from our time together, from the ropes course at Camp Beckett in the 9th grade to Homecoming this past Fall.

I have known you to be, in turns, funny, kind, smart, and dedicated to improving yourselves and our school community. You have challenged me in myriad ways and made me a better teacher and administrator for it. I am proud of the people that you have become and I cannot wait to see what you will do next. Remember to work hard and be kind, and make the most of this one wild and precious life that you have.

Please come back and visit us often!

With gratitude,

Mrs. Murphy

JROTC

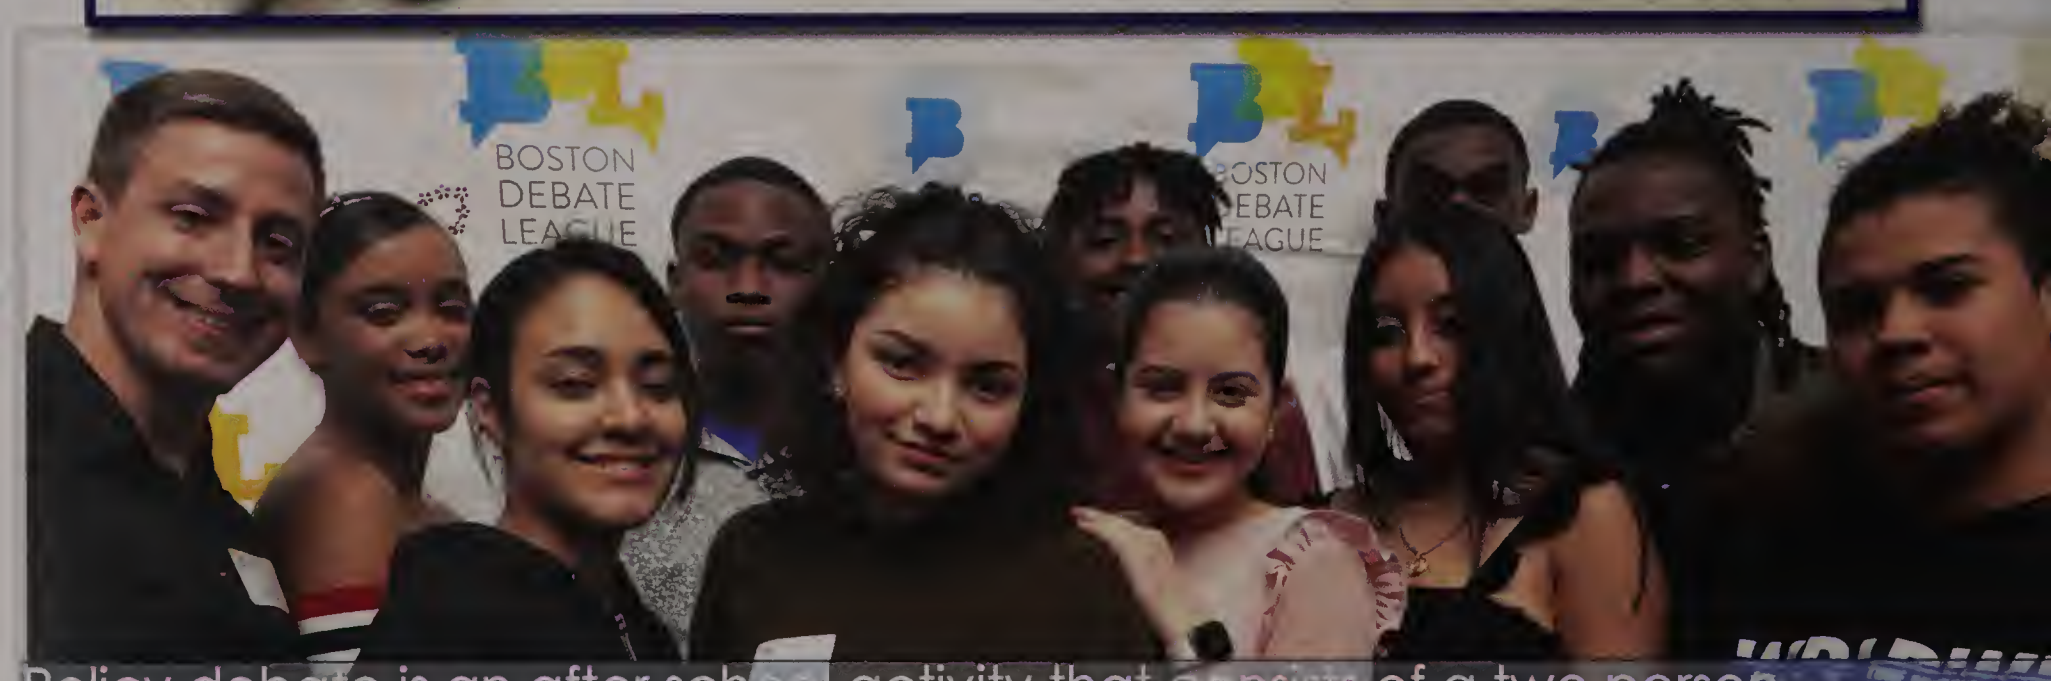
Gelin; Winiver Gomez Cordero; Carmelita Segura, Jerielis Acosta

This year's JROTC program was filled with a level of energy and enthusiasm that has not been seen in years. The highlight or our program in the fall started with our Drill Season where we won more trophies than in any of the past 10 years and competed in more events as well. We also had the highest turnout for our annual Veterans Day Parade and we had the largest military ball attendance in a decade as well. Physical Training competitions during the winter months kept cadets motivated as well as looking forward to our Service Learning project for Memorial Day where JROTC cadets plant over 7,000 flags on veterans gravestones at Mount Hope Cemetery.

ENGLISH



Policy debate is an after school activity that consists of a two person "Affirmative" team proposing a change in federal policy and a two person "Negative" team arguing against that change. Students debate in the beginner Novice division to develop critical debate skills before moving up to JV and eventually Varsity where students can write their own cases. Students also have the option to debate in Spanish as part of one Varsity Spanish Division. Debate tournaments are once a month at various sites across Boston, as well as Greater Boston tournaments for Varsity debaters.

The EHS Marching/Concert Band and Drumline had a very busy year! We performed for all of the Eagles' home football games for our amazing championship season. We brought the noise for the Thanksgiving game Pep Rally and looked good doing it! We marched in the Roslindale Day parade as the only marching band in BPS. This year's new group, The Holiday Horns, had the opportunity to play for the Mayor's Holiday Trolley Tour in December. We were a big hit in Jamaica Plain! Our Concert Band and Drumline performed like true professionals at the Winter Showcase this year. Shortly after that we played our music one last time for Coach Rob at his retirement pep rally. He has always loved the band and THAT'S REAL!

We closed out the year with a big bang and a big sound! We had the honor of performing for the annual City Year Gala at The Boston Convention and Exhibition Center in front of over 1000 people! And finally the concert band and drumline members put their hard work from the year into a top-notch performance at the Spring Showcase.
